PRE-COURSE
IMPROVING PATIENT CARE THROUGH WELLNESS, TEAMWORK, AND ORGANIZATIONAL CHANGES

Chair: Brian Scannell, MD

WEDNESDAY, MAY 15, 2019
8:00 AM – 12:00 PM

DESCRIPTION
As pediatric orthopaedic surgeons, we are constantly trying to improve care for our patients. Often, we overlook important areas that can improve the care of our patients: our own wellness, our team environment and practice efficiency, and our organizational culture.

The purpose of this Pre-Course is to discuss and offer practical improvement strategies for our own personal resilience, efficiency of practice, and organization cultural changes. This will inform our membership and provide a springboard for discussion on wellness within POSNA.

LEARNING OBJECTIVES
Upon completion of this program, participants should be able to:

OBJECTIVE 1: Appreciate issues surrounding physician burnout and discuss practical tools for improved physician wellness and resiliency

OBJECTIVE 2: Develop improved strategies to enhance team performance, patient safety through teamwork, and efficiency of practice

OBJECTIVE 3: Understand how to build a culture of wellness/change within your organization

ACCREDITATION
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Orthopaedic Surgeons and the Pediatric Orthopaedic Society of North America. The American Academy of Orthopaedic Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

CONTINUING MEDICAL EDUCATION
The American Academy of Orthopaedic Surgeons designates this live activity for a maximum of 3.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
PRE-COURSE
IMPROVING PATIENT CARE THROUGH WELLNESS, TEAMWORK, AND ORGANIZATIONAL CHANGES

Convention Center Richardson Ballroom CD

WEDNESDAY, MAY 15
