

2021 ANNUAL MEETING
MAY 12-15 | DALLAS, TX

Frequently Asked Questions Regarding Abstract Submission

1. What is the deadline to submit an abstract?

The deadline to submit is Friday, October 2nd at **11:59 AM CST (Noon)**

2. Can the abstract have been published prior to submitting to POSNA?

No, abstracts that have been published prior October 2, 2020 will not be considered for presentation. We also ask, relying on the honor code, that abstracts accepted for publication prior to October 2, 2020, not be submitted for presentation at POSNA. If the abstract has been submitted elsewhere, but not yet published or presented it is acceptable.

3. Do you have to be a POSNA member to submit?

No, anyone can submit an abstract. However, the presenting author must be a physician who has completed an orthopaedic residency, or equivalent training program, at the time of the presentation. Residency/training program graduates are allowed to present. This applies for Podium, Paper Poster and ePoster presentations.

4. Does POSNA accept late breaking abstracts?

No, POSNA does not have a separate call for late breaking abstracts.

5. How do I login to submit an abstract?

- Go to <http://submissions.mirasmart.com/POSNA2021/Splash.aspx>
- Click "Enter Now"
- If you have not yet submitted an abstract, click "New User"
- Enter the login credentials you will use for the abstract submission site (this will be your login any time you wish to go back and revise your abstract. This step only needs to be done once)
- Once a login and password has been established you may login and then you will be directed to the POSNA disclosure database. You can use your current POSNA login if you have one. If you do not have an POSNA login you can create a new record and then submit your disclosure. Once disclosure is submitted you will be directed back to the abstract submission site.
- Click "create a new abstract" and follow the next steps

6. Why do I need to create a record with the POSNA database?

- The POSNA disclosure management data base has been selected as the system most able to meet the unique needs and requirements of the 2021 POSNA meeting for handling matters

related to potential conflict of interest.

- To provide transparency for the POSNA Program Committee and POSNA attendees regarding matters related to potential conflict of interest, working with a professional society having an established history of disclosure management is essential.
- Continuing Medical Education regulations require a robust disclosure management system for the POSNA meeting presentations.

7. Is it mandatory for all authors listed on my abstract to submit disclosure to the POSNA database?

Yes, all authors listed on the abstract are required to submit disclosure.

NEW THIS YEAR

For your abstract to be successfully submitted by October 2, 2020, all presenters and co-authors must have a completed disclosure in the POSNA database as of **May 12, 2020 or later**.

Any disclosures made before this date will not be valid. If an author does not have a completed disclosure your submission will be considered INCOMPLETE and NOT eligible for grading.

Steps for disclosure:

If the author has a record in the POSNA database:

- Go to <https://posna.org/Disclosures>
- Click "Update Now"
- Login
- Follow instructions on how to disclose
- Confirm

If the author DOES NOT have a record in the POSNA database:

- They will receive an email asking them to search our database for themselves. If they cannot be found, they must create a record for themselves before accessing disclosure.
- Please have author [Click here to register](#).
- Click "Create a new account" and follow the instructions.
- Once the author has an account, they will need to complete their disclosure.

8. What is the deadline to make revisions to my abstract?

You can log back into the system any time before the submission deadline (October 2st) to make any revisions to your abstract.

9. What is the maximum amount of words allowed in an abstract?

The length of the abstract is limited to 400 words.

10. Are tables and figures allowed in the abstract?

Yes, you can add one jpeg image with a maximum size of 5MB to your abstract (Note: This will not affect the word count)

11. What is the maximum number of co-authors that can be listed on an abstract?

The maximum number of co-authors that can be listed is 16.

12. When can I expect to be notified whether or not my abstract was accepted?

In early December, we will begin the process of sending acceptance notifications. Paper acceptances will be sent first, followed by Poster and ePoster acceptances. Once the program has been finalized by the Program Committee and all presenters have agreed to present, notifications will be sent to those whose abstracts were not accepted.

13. If my abstract is accepted for presentation, will the format (Podium, Poster, ePoster) I requested change?

If the Program Committee suggests placing your presentation in a different format according to your abstract, yes, they may ask you to change the format. For example, if you select podium/paper presentation as your preference, the committee may decide to present it as a Poster or ePoster.
