WELCOME

Welcome to Las Vegas—the Entertainment Capital of the World—for the 2025 POSNA Annual Meeting! We are happy to have you as guests this week, and excited for you to experience the city!

This program includes information on Las Vegas and social events which will help guide you through the week.

The meeting will be held at Caesars Palace beginning Wednesday, May 14, at 8:00 AM, with the Opening Ceremony. This year's Howard Steel Lecturer is Jennifer Dasal, author, art historian, curator, and podcaster. Her lecture will focus on the ways art and medicine intersect.

Wednesday's Opening Event will be at Madame Tussauds Las Vegas. A separate ticket must be purchased to attend. Dinner, drinks, DJ, transportation, and admission are included in the price of the ticket. Details regarding the reception are located on page 5.

Breakfast for Accompanying Persons will be held Wednesday, May 14, through Friday, May 16, from 8:00 AM–10:00 AM in Trevi. Everyone registered as an Accompanying Person is encouraged to join breakfast to meet and socialize. There will be no educational programming scheduled on Thursday afternoon, giving everyone time to explore Las Vegas.

Accompanying Persons are welcome to attend the program on Friday, May 16, which will include presentation of the Distinguished Achievement Award, additional award announcements, and the Presidential Transfer. Frances Anne Farley, MD is the recipient of this year's Distinguished Achievement Award.

I am excited to have you here in the City of Lights!
