(a) The Society will indemnify any person who was or is a party, or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that they are or were a Director, Officer, employee or agent of the Society, or who is or was serving at the request of the Society as a Director, Officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. Such indemnification shall include payment of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, if such person acted in good faith and in a manner they reasonably believed to be in, or not opposed to, the best interests of the Society, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which they reasonably believed to be in or not opposed to the best interests of the Society or, with respect to any criminal action or proceeding, that the person had reasonable cause to believe that their conduct was unlawful.

(b) Notwithstanding anything provided herein, no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of their duty to the Society, unless, and only to the extent that the court in which such action or suit was brought shall determine upon

application that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper.

(c) To the extent that a present or former director, officer or employee of the Society has been successful, on the merits or otherwise, in the defense of any action, suit or proceeding referred to in subsections (a) and (b), or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith, if that person acted in good faith and in a manner they reasonably believed to be in, or not opposed to, the best interests of the corporation.

(d) Any indemnification under subsections (a) and (b) (unless ordered by a court) shall be made by the Society only as authorized in the specific case, upon a determination that indemnification of the present or former director, officer, employee or agent is proper in the circumstances because they have met the applicable standard of conduct set forth in subsections (a) or (b). Such determination shall be made: (1) by the majority vote of a quorum of the Board of Directors who are not parties to such action, suit or proceeding.; (2) if a quorum of the disinterested members of the Board of Directors is not obtainable or even if obtainable, a quorum of disinterested Directors so directs by independent legal counsel in a written opinion, or; (3) by the majority vote of those members of the Society present and voting where notice of this item is specifically indicated in advance.

(e) Expenses (including attorneys' fees) incurred by an Officer or Director in defending a civil or criminal action, suit or proceeding may be paid by the Society in advance of the final disposition of such action, suit or proceeding, as authorized by the Board of Directors in the specific case, upon receipt of an undertaking by or on behalf of the Director or Officer to repay such amount, unless it shall ultimately be determined that such person is entitled to be indemnified by the Society as authorized in this Section. Such expenses (including attorneys' fees) incurred by former directors and officers, or other employees and agents may be so paid on such terms and conditions, if any, as the Society deems appropriate.

(f) The indemnification provided by the Section shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of members or disinterested members of the Board of Directors, or otherwise, both as to action in their official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a Director, Officer, employee or agent, and shall inure to the benefit of the heirs, executors and administrators of such a person.

(g) The Society may purchase and maintain insurance on behalf of any person who is or was a Director, Officer, employee or agent of the Society, or who is or was serving at the request of the Society as a Director, Officer, employee or agent of another Society, partnership, joint venture, trust or other enterprise, against any liability asserted against such person and incurred by such person in any such capacity, or arising out of their status as such, whether or not the Society would have the power to indemnify such person against such liability under the provisions of this Section.

(h) If the Society indemnifies or advances expenses under subsection (b) and/or (e) of this Section to a Director or Officer, the Society shall report the indemnification or advance in writing to the members entitled to vote with or before the notice of the next meeting of the members entitled to vote.
